NetPay Plus+, Inc. Announces the Introduction of their Referrals for \$\$\$ Program

"With the Holidays Just Around The Corner, Everyone Can Benefit From Extra Cash in Their Wallets..." stated Linda Tolman in a recent NetPay Plus+, Inc. management meeting. Barbara Orem has agreed to roll out the NetPay Plus+, Inc. Referrals for \$\$\$ Program. The program is open to the clients, co-employees, referral partners and vendors. Here is how it works.

We offer referral rewards for our Referral Partners and Clients. For every referral that accepts your introduction and meets with our representative and becomes a Netpay Plus+, Inc client, you will earn cash rewards based upon size of the company.

5 to 9 employees	\$ 250.00
10 to 19 employees	\$ 600.00
20 to 99 employees	\$2,500.00
100 + employees	\$5,000.00

Referral fees are paid 60 days after the new client's initial payroll by check or as an invoice credit (for current Netpay Plus+, Inc. clients). To register for the program, go to our website at www.netpayplus.com and click on the Referrals for \$\$\$ tab and register for the program. Once you are registered, you can go back and complete the My Referrals section and send the confirming email to the company you are referring to us.
